Happy Mother's Day: Mother's Day calls to mind that we cherish the gift of life that we receive from our mothers. It is a moment to pause and pray for all women to whom god entrusted life in a very special way. We also in a very special way, remember mothers that are experiencing unexpected or difficult pregnancies. May they find support encouraging them to choose life for their child. May God's blessing be upon all mothers living and deceased. (Deacon Roger)
