Pregnant and parenting moms in need are in our parishes and our neighborhoods, but in desperation, they are turning to other places for help. We know the needs and challenges can be immense for women in difficult pregnancies, especially women in poverty, and the sources for help may not be apparent to those most needing support. Women facing challenging pregnancies should see the Church as a place where they can find help, especially with its extensive social services dedicated to meeting the needs of people in crisis. For support call 1-877-932-2732 or 512-560-7197. (Linda Kutach Strmiska)
