Greetings to everyone, I hope you are doing well. As the hall committee chair, I wanted to take this time to remind everyone that any events that are scheduled to take place in the hall must be on the hall committee calendar. This includes all church ministries and meetings. It is important that we have this information to ensure the safety of the parishioners and visitors onsite. We must also ensure that the hall is secured and if you are needing access to the building outside of business hours, please contact me so that we can make arrangements and assist you accordingly. As we begin to open up and have more and more events in the parish, we want to make sure that our facilities are clean and ready for the next event. Thank you for your patronage. May God Bless you and your family. (Diana & Mauro Rodriguez)
