On behalf of the Synod Contact Team, we want to thank everyone who has been able to share, in one of our listening sessions, online, by submitting your input in the box available in the entrance of the Church, or using the online form. Your feedback is most important. If you have not been able to provide your input, there are forms as you leave church that you can use for this purpose. You can pick up a form, fill it out and place it in the box at the entrance of the Church, or go to the link on the form and give your input online. It is not too late to hear from you. What happens next: 1) The team has a deadline to provide the summary of your input to the diocese by mid-February and 2) The team will meet with Father, relay the parish responses in an anonymous manner. Please continue to keep the Synod process in your prayers. The process has opened an opportunity for dialogue. (Jackie May)
