Our Holy Father, Pope Francis welcomed the pilgrims who took part in Italy's Pro-Life march. Let's choose life. I thank you for your dedication in promoting and defending conscientious objection. We are more led to think that life is a good at our complete disposal. That we can choose to manipulate to give birth or take life as we please as if we were the exclusive consequence of individual choice. Let us remember life is a gift from God. (Deacon Roger)
